b. IAW AR 600-8-2, para 1-13c&d, the Adjutant General has directed that all AGR soldiers will be flagged immediately upon failure to meet the required height/weight or APFT standards. Conversely, as soon as a soldier meets the required standards the flag will be removed immediately.

3. PROCESSES.

a. Initiating a Flag

(1) If an AGR soldier fails to meet the required standards, the Chief of Staff's office will initiate a DA Form 268, Report to Suspend Favorable Actions (Flag) and forward to G1-DPCS for input into the SIDPERS and posting to the Military Personnel Records Jacket (MPRJ) DA Form 201 file.

(2) Simultaneously, the Chief of Staff's office will send a copy of the DA Form 268 with all supporting documents through the chain of command for the unit's records.

(1) As soon as the soldier meets the standard, the Chief of Staff's office will submit a DA Form 268 to G1-DPCS. The flag will be removed from both SIDPERS and the MPRJ.

(2) DPCS will then return the original DA Form 268 (Request for flag removal) to the Chief of Staff's office for filing for a period of one (1) year.

(3) The Chief of Staff's Office will forward a copy of the DA Form 268 with supporting documents through the chain of command to the unit.
